Shirley & Jill Larry, Les and Lori

It is with a sad heart that I think of LeRoy. My memories are of course years ago when we all got together on the farms. I can still see us sitting around the kitchen table (and kid's tables) and listening to LeRoy and my Dad tell stories and laugh and laugh.....

We had some great times, back when we didn't have much money and didn't even know it --ha

I wish there was a service so I could see Jill and Larry especially, it's been so long. I recently saw Lori and had a bit of time to talk. If you have some free time when you are here, your mom has my number. I'll be thinking of you all and sending my love.
