“ *My sweet Aunt Linda - caring, compassionate, funny, and a love for animals.*

She truly was a beautiful soul. Linda sent me one of the funniest birthday cards I have received in my life back in 1985.

She was a special aunt and a treasure to me.

Linda will forever be in my heart.

“ Linda was a CMA at Dickinson Co Home and I was the bookkeeper, although I only worked with her for about 3 1/2 years, she made a lasting impact on my life. She worked hard and made a big difference in the residents that she cared for too. I knew life wasn't easy for Linda, but she never complained (she used humor instead). Oh the sense of humor she had. She could make residents and staff laugh at everything she said and she always had the best stories. Her smile and laugh could light up a room for sure. She was always a joy to work with. Thank you Linda for teaching me a lot about life and make the best of everything. RIP Linda. Thinking and praying for Steve and Sandy's families.

“ Aunt Linda always brought joy through her quick and witty humor. I vividly remember sitting around the table as a kid while my mom read handwritten letters sent by Aunt Linda. We’d all laugh and smile as her written words entertained us all. She’d weave outlandish stories about her twin locked in the attic. She was creative, fun, and loving. Sending love to Sandy and Steve and their families.
