“ Gary and Family,
Please know that you have our thoughts and prayers as we know the special person Linda has always been and will be deeply missed. She touched so many lives with her kind smile and love of life. Unfortunately many of us have lost touch over the years with her, but she is remembered well by her High School classmates for her true sincerity and energetic enthusiasm for others. Our condolences to all.

“ Linda has been part of my memories ever since I was able to remember anything. We grew up together as cousins, friends, and, as we often said, practically as brother and sister. Julie and I will miss everything about her, but we will always cherish the memories. To Gary, Stacy and John, we wish you peace and the comfort your own memories can bring in the days and years ahead. Love, Roger and Julie
