“ *I worked next to Margaret in the Shipping Dept at Berkley's for about 6 to 7 years. She was a very special lady. She loved to hear about what my boys were up to and we often talked about farm things like crops and the harvest seasons. My deepest sympathy goes to you Merv and the rest of the family. Hugs!*

“ Being a neighbor of Margaret's for many years, we got to know her very well. She was a giving loving person who thought of others before herself. She loved to talk so we had many long visits. Visiting her in the nursing home was sad but where she needed to be for her safety. She will be missed.
