“ Sandy and family—I was so sorry to hear of Mark’s passing. We always had such a good visits when Jim and I would run into you both. It just doesn’t seem possible how fast our lives go. Our families are grown and our grand children are grown and I am still getting adjusted to being without Jim. Perhaps Jim and Mark are reminiscing about their old farming days up there with their families and friends who have passed on. May God bless you with precious memories. You will be in my thoughts and prayers in the days ahead.

“ My deepest condolences. So many memories of Uncle Mark-how can I pick one? He was always kind and generous. He ALWAYS had a good story to tell as well. I think my favorite memory is when I brought my kiddos to Iowa and he took them both in his tractor and drove them around. They loved it so much! They still remember this as being a favorite Iowa memory. Hugs to all the Fodness family-he was a great man, uncle, husband, grandpa, great uncle...etc. etc. A wonderful man.
