I thank God that Michele's pain is over forever. Michele was a wonderful soul, a free thinker, well read on many topics. Our discussions were far too few and way too long between them. I know you already have those you have joined talking about things they had never considered before. While I miss you, I look forward to our next discussion when I join you. Your Uncle Jim

“ *Sorry to hear of the passing of Michele. We grew up close in rural Spencer. We are distantly related and our parents were great friends in our younger years. She was a spirited gal who knew how to have fun. I have not seen Michele since high school but tried to keep up with how she was doing through my mom. We had many great memories growing up on farm in rural Spencer. Michele taught me how to ride horses and we had great farm adventures in our childhood. She was always welcoming and friendly with a big smile and eyes ready for anything. Gone too soon. Rest in Peace..Michele*

We were neighbors of Michele and the Ohearn family when they lived west of Spencer. Our two boys played with Michele and Patricia when they were younger. Sharon and Patricia remember the fond memories of Michele. Rest in peace Michele.

So sorry to hear this! I haven't seen Michelle since HS, but I have so many memories with her from Sacred Heart. We spent many nights at each other's houses & I even helped her show sheep at the fair. She was a spitfire! Many good times & memories! ❤️
