“ I am the same as Kathy. I was blessed to cross paths with Morris through healthcare as well. What a true gem he was! He fought a hard battle until the very end and still with a smile on his face. He spoiled us girls with his talent of welding us peace signs with our names on them. Something we will all treasure and always remember Morris by. He never forgot to leave us without saying "Have a good day girls....PEACE" Never left without throwing those two fingers up :) Much love to all his friends and family, he will be missed greatly. PEACE Morris!

“ I had the opportunity to get to know Morris through healthcare. He was such an interesting, unique and talented person. Always loved our visits. He fought hard to win the battle with cancer and spend more time with family & friends. My last visit with him shared how special his birthday gathering was and all the wonderful people he had to share it with... definitely was a special time for him. So appreciative I had the opportunity to cross paths with him. Hugs & prayers to his family and friends. Rest in Peace Morris!
