“ *Dayle and family,
I was so sorry to hear about Nelda's passing. I got yo know her when I rented the apartment above the drug store. Hence, I stopped in the drug store daily for something or other. I had many conversations with Nelda, Steve Kennedy and Sam Quee. Absolutely loved living up there. I was very sad when that store closed. I would then see Nelda at various times and places and always enjoyed running into her. She was the sweetest person, always with her beautiful smile. I am sure she is lighting up heaven a little more.
I loved looking at the wedding pictures too. God bless you all during the difficult months ahead.*
