“ *In 1998, our German exchange student wanted an Okoboji Boat ride in the worst way. Dr. John and Pam to the rescue! They both graciously shared their time and boat (Captain John) to make her wish come true. Pam was a beautiful spirit. I treasure that memory and thank God for that little slice of heaven on earth. Her soul is in paradise now. Halleluia!*

“ My sincere condolences to all of Pam's family. Pam was, and will always be, my beautiful and talented cousin, just two months younger than me. We spent many happy times together growing up on Aunt Rosa Mae and Uncle Arlie's farm, and later in Sioux City, but were unfortunately separated by many miles as adults. I cherished any time later in life that we did get to spend together. I won't be able to attend the Memorial, so created by own photo gallery to share.

“ I was a freshman in high school and your Mom was my music teacher. Her love of music inspires me still today. She also touched the life of my daughter, who was an OTA at Western Homes in CF. Small world that paths cross but despite the dementia, my daughter also saw that beautiful soul of your Mom. May your hearts be helped by all the lights that are still shining in us.
