Kay was such an great lady. Got to know her through Moose conferences, she and I had to sit up on the stage one year next to each other for the weekend. I really enjoyed her company. She will be missed. Condolence from Past Regent Jessica Finke and Iowa Falls Chapter 1108.

“ I've known Kay since I was a little kid. She was one of a kind. Feisty comes to mind. But she was also very caring. She treated us neighborhood kids like we were one of her own. Once you knew Kay you always knew Kay.

Not too long ago we were chatting with her and talked about when we were kids. She said "you still are a little kid". Ha. I wished!!
Thanks Kay!!!

I am deeply saddened by the news of your loss. She will be missed. My mom, Joanne Pillars would also like to give her condolences as well.

We wish you peace to bring you comfort, courage to face the days ahead and for all the memories you have to be forever in your heart.
