“ *I remember Pat from my days in elementary and middle school. He was always a welcoming and kind individual. With a warm smile, he never hesitated to open the gym early, even happy to take a shot or two with us. Out of all of the people who served the Spirit Lake school system, he is one person that I will always remember.*

My first impression: What a kind man with a gift of gab (like me). Seems like we had a hundred or more of those visits. It appears that there were no strangers to Pat. I'm sure that he's in good company now. Condolences to his family and many friends. Mark Brown, Spirit Lake*

“ I got to know Pat while coaching Middle School sports. Pat was always kind, friendly and conscientious of his work. He would always ask if everything was okay or if I needed anything. He truly was a kind soul. Once I met Pat, he always treated me like we'd know each other our forever, always making time for conversation. Barbie knew Pat growing up as a neighbor in Spirit Lake. She echoes my thoughts saying he was the same growing up - always friendly, very nice. May he rest in peace. We pray the peace of God comforts and surround his family.

“ I very much enjoyed our conversations whenever I was working late in my classroom; topics ran from family to schoolkids and sports. Pat wasn't going to break any speed records like his family?, but he was diligent in his care of our school and was always ready for a conversation of uolifting value for myself. My thoughts and prayers go out to his family he will be missed. 🙏🙏🥲
