“ *Uncle Bernie and family, I just heard about Aunt Phyllis on the radio. I am so sorry for your loss. Sending prayers that God will wrap his loving arms around you, giving you comfort and peace. I really enjoyed watching the video on this site. I'm thankful that I have many fond memories of times that Dennis and I spent with your family. Wish I could have attended the memorial services with you, but remember that I am there in thought and spirit. Love you all, Deb*

“ Sorry to hear of Phyllis' death. Remember all the good memories & look forward to a reunion someday in Heaven. Her quality of life the last few years hasn't been what she always enjoyed but is now at peace. We were always neighbors on the farm south of Burt & our folks enjoyed getting together too when possible. I graduated with "David Dean" as his Mom called him when she wanted to get his attention!!!! Thanks for the memories!! Your friend Shirley Peter (Kline) & husband Chuck.

“ *Bernie and family, sending my sympathy at the loss of a special person in my teen years. I so enjoyed having you for neighbors and babysitting with Jeff and Greg. Phyllis would take me with her and the children at times on an outing. She introduced me to Burt, Iowa! Wish I could attend the memorial, but I have a gathering at my home on Thursday. God Bless*
