“ I was a friend of Sue and only met Rachel a few times back in 1964. She was the sweetest person I have ever met and so was Dusty. I have only learned about her passing in the last few weeks thanks to the internet.

“ Auntie Rach was always a favorite!! She lived a long life, and she is now finally with her sweet Dusty. Always wished we had all lived closer. Memories of the Dust farm days and special times in Milford will always be cherished. Peace and love to all the family!

“ Rachel's mother, Maude, was a great friend of my mother-in-law, Gwen Rute from Milford. Gwen's father was DR Charles Schultz. Rachel also was a friend of Gwen's. Rachel told me a story about when she was 3 years old and she was riding her trike with her rag doll. The dolls leg got caught in the spokes and tore. She said she cried so hard and wanted to take the doll in to Dr. Schultz to fix her broken leg. Finally Maude called him and he told her to bring Rachel in. She said he was probably eating his supper but was kind enough to "fix" the dolls leg. Dr. Schultz put iodine on it and wrapped the leg and she stopped crying.

When she was cleaning out the attic there was the rag doll. I hope she saved it and this story could go with it.

Rachel was a fun, great lady and will be missed by many.

“ We will always remember the coffee and ice tea times with her friend, Evelyn Moritz. With her beautiful smile and humor, she could change the room. What a gift! What a memory!
