

Randall Ricklefs

August 11, 1953 - May 31, 2015

Randall Scott Ricklefs, one of four children born to Arnie and Shirley Ricklefs and the stepson of Curtis Gardner, was born August 11, 1953, in Algona, Iowa. He was baptized and confirmed in the United Methodist Church. Randy graduated from Algona High School in 1971 and then graduated from Wartburg College with a major in psychology. Randy had a love of the lakes area from spending his childhood summers on the north shore of Spirit Lake. It was here he met his future wife, Julie Heyer. Following his graduation from Wartburg College, he moved to Spirit Lake and co-opened with Bill Heil the popular franchise, Jake's Pizza. Jake's soon became the "fun" place to stop due to Randy's love of people and his entertaining personality. In 1978, Randy and Julie were united in marriage and raised three children, Kellie, Kyle, and Kami. Randy later co-owned with Ron Vincelli the Remington's Restaurant in Spirit Lake. Their life was full with work and family. Randy was a self-made business entrepreneur and pursued many interesting "career opportunities" including selling water purifiers, juicers, computer generated photos transferred to clothing and banners, video rentals, Merry Maids Cleaning Service, water balloon sling shots (not his finest idea....but so Randy), and selling insurance. Insurance was in his blood, following in the footsteps of his grandparents, father, and brothers, and continued to be a big part of his life. Randy was also very committed to the AA program and helping others with their addictions. In 1990, Randy's life changed starting with a Cursillo weekend and then going along with Kelly O'Brien to his first Steubenville Youth Conference. He realized his true passion was serving the Lord and teaching youth about the love and awesomeness of the Lord. He started out as a volunteer youth minister, working into a part time and then full time youth minister with St. Mary's Catholic Church in Spirit Lake.

Randy was diagnosed with early onset Alzheimers in September of 2010 when he was 56 years old. His sense of humor and quirkiness remained, which was a tremendous strength and help to his many friends and family throughout the disease until he died on Sunday, May 31, 2015, at the Community Memorial Health Center in Hartley, Iowa.

A Memorial Mass will be 4:00 pm on Thursday June 4th at St. Mary's Catholic Church in

Spirit Lake. Following the Mass there will be a Celebration of Life and sharing at the VFW. In lieu of flowers memorials may be made in Randy's name to the Gentiva Hospice, RESIPTE Angels or the Hartley Care Center. The Schuchert-Lentz Funeral Home in Spirit Lake is serving the family.

Randy will be cherished for his charismatic personality, his willingness to help others, his ODH (obsessive duck hunting), and his ability to make others laugh. One of his dreams (other than Dancing with the Stars), was to be a stand-up comedian.

Randy was preceded in death by his niece, Jenny Ricklefs, parents, and grandparents.

"Well done, thy good and faithful servant...enter thou into the joy of the Lord." Matthew 25:21

“ *I hadn't seen Randy in 40 years when this latest news arrived. We graduated the same year from Algona High School in 1971 but I was a bit more straight-laced than Randy in high school so we weren't all that close. That changed when we both went to Wartburg College and - though I never could keep pace with Randy - we had some uproariously good times. I graduated after 4 years from Wartburg but Randy lingered a little longer. He'd always start off the fall semester in fine shape but then duck hunting season would begin and Randy would disappear for weeks on end. Those extended absences were a little hard to overcome academically. Randy was one of those people I always hoped to cross paths with again. I guess I will just have to try to catch up with him in heaven.*

“ *I was staying on Lake Okobodji with my in-laws. I really needed an AA meeting and to laugh. Randy came and picked me up brought me to a meeting and out with some friends afterwards for some great fellowship and plenty of laughs. I remember the laughter and the kindness. Prayers for your family. Look forward to seeing you again one day in Heaven!*

“ Randy introduced the Steubenville Youth Conferences to our parish (along with the efforts of my sister-in-law Peggy Staley) making an enormous impact on the lives of numerous youth in our area, including my own children. Randy has been the enthusiastic instrument God used to bring many souls to Himself. God bless Randy Ricklefs and welcome him into His loving arms. God be with his family and friends as they mourn his passing and celebrate his life so well lived. You will meet again.

“ Our thoughts and prayers are with you Julie and your family as we reflect on the many fond memories of Randy and all of you.
We first met Randy on the North Shore of Big Spirit Lake as he courted Julie the daughter of friends Tex and Nancy Heyer. A few years later we entered into a partnership and established Jake's Pizza of Spirit Lake. As we built the business but mainly Randy of course, we developed a strong friendship that lasted the rest of his life. Randy even gave me a job at Remington's as I transitioned through a difficult time in my life.
Randy was an inspiration as he developed his relationship, love and service to the Lord. We are thankful in the Lord to have known Randy and are confident that he is at peace as he resides with his Savior.

I got that job and found out Randy was engaged to the prettiest blond Catholic girl! (Love you)The gang at Jakes Pizza knew he loved her alot cause he went to alot of classes just to marry her! It was the beginning of a friendship that led to so many crazy, exciting and fun memories. Our lives continued to cross paths at many monumental times in our lives! I will always cherish our friendship and no matter how much time would pass we just took off from there... You will always be in my heart! “ With over forty years of memories of Randy and his transformation as a person, one thing remains steady...he was passionate about everything in his life. He loved each of his dogs- Flirt, Snuffy, and JJ. He was crazy about ducks and geese. He poured himself into various business ventures looking for the next great thing. He was a fanatic for fun whether launching balloons or fireworks. His passion for hacky sack brought me a great partner that never tired. Randy proclaimed his passion for the Lord and was dedicated to his ministry for the youth. He loved his trips to Steubenville and other mission trips. But, most of all, Randy was passionate about his love of my sister Julie and their family. For that I am grateful. We will miss Randy's humor and kindness. Rest in Peace Brother.
