

Randy Loerch

May 25, 1961 - July 9, 2023

Randy Loerch, 62, of Spirit Lake passed away on Sunday, July 9, 2023, at Avera McKennan Hospital in Sioux Falls, SD from injuries sustained in a motor vehicle accident.

A celebration of Life for Randy will be held at 11:00 a.m. on Friday, July 21, 2023, at the Sami Bedell Center located at the Spirit High School Campus. Military Funeral Honors will be conducted by the American Legion Timpe Post #23 and the VFW John W. Kidd Post #4514 both of Spirit Lake. Randy was born on May 25, 1961, to Roger Lee and Dolores (Dickson) Loerch in Blair, NE. He graduated from Manson High School. After graduation, he served his country in the US Navy. After his honorable discharge, he attended Grandview Business School. Randy's main occupation was the Property and Grounds Maintenance Supervisor for Spirit Lake Schools, but those who knew him, knew that his second job was helping those who called him and asked for help with a project.

Randy was a proud member of the Snow Hawks and looked forward to every winter when he could ride the trails on his snowmobile. He also enjoyed in his free time, riding his motorcycle, ice fishing, golfing and playing in pool league with his buddies.

Left to cherish his memory are his daughters, Annette Loerch of Fort Dodge, IA; and Kaymie (Joe) Lau of Fort Dodge, IA; sisters Deb Loerch (Jim Meredith) of Okoboji; and Kathy (David) Tjernagel of Bondurant, IA; 3 grandchildren and 4 nephews and their families that loved spending time with Papa, Uncle Randy.

“ *Randy attended grade school In Aplington Iowa and the Loerch family lived right next to the Aalderks family. Randy Loerch and Randy Aalderks were very close friends. Randy Aalderks can remember fun memories of the two playing football in there joining back yards. One very memorable memory that he remembers was when the two of them were missing around with a backyard Martin bird house and the Martins didn't like it and were swooping and diving at them. The two of them tried to out run the birds. They shared alot of laughs.*

I also rember Randy in grade school. I was Camie Dix at that time. He was so kind and was a good friend to both Randy Aalderks and myself.

“ No one could put a genuine smile on my daughter's face first thing in the morning. Or at least that I know of. I don't know how long it will go that she looks out the window for him, but I do know she will remember him forever. Keep riding Randy even if it's just a green & yellow lawn mower. Only this time you don't have to stop. She will still hear you. Praying for your family tonight.

“ *Randy was such a great asset to our school district. His vast mechanical experience and willingness to work created a never-ending stream of projects. He was a dedicated employee who was always excited to share pictures and stories from the time he most recently spent with his family. More personally, he was the one HVAC technician that was willing to help me with the install at my house in 2015. I enjoyed knowing and working with him and am glad to call him my friend. Thank you Randy.*
