

Ray Savard

February 29, 2008

Joseph Wilfred Raymond Savard was born on May 9, 1938, in Lewiston, Maine, to Joseph and Alice Ducharme Savard. His sister, Carmen, was added to the family 6 1/2 years later. Ray learned to ice skate and swim at an early age, almost the same time he learned to walk. These were activities that he enjoyed the rest of his life.
