“ Dick Kibbie. What a guy. Never at a loss for words. A chuckle that quickly became a laugh. Whenever I saw him over the years while visiting my parents at the Lakes, we joked that he was still a young man about 31.

*Condolences to the family.....*

“ My husband, Mike, had the good fortune to work with Dick at Smith's for a while. Dick was a voracious reader and they had many good conversations on a variety of topics. When I saw Dick (often) in the library, he would want to know about local politics. A sharp intellect and a kind, fine man. Condolences to the family.

*He will be missed.*

“ *Dick and I were about the same age and have known each other since the 2nd 3rd grade at the little school house in Booth Twp. He was my best friend and we went on dates together with all the nice girls in Ayshire and surrounding area including many visits to the "Roof Garden" at the Lakes. He was a very good athlete in baseball and basketball. Also played a set of drums for the band. He was very good at all these things. He could talk about most everything and never met anybody he didn't like and vice-versa. I visited with him over the years and always had a good time discussing politics and such. He always had an opinion. We will all miss him and my condolences to Emmet and family.*

“ I remember Dick taking me under his wing when I first joined the Knights of Columbus. He was an officer and helped me learn the ropes, always with a kind word and leadership by example. I would get a smile on my face when I would see the vanity plate on his car parked at the post office so we could say hello and visit. He will be missed.
