“ *Omg my heart hurts for you all! BOBBY has been a part of our GOETSCH family for as long as I can remember! HE was one of the most kindest guys you'll ever meet. BOBBY would give you the shirt of his back if he thought you needed it more than him! One of my fondest memories of Bobby was when he was about 10. I heard a knock on my door and when I opened it there he stood with a pekingese dog! You see my mom had to put her pekingese down and Bobby knew how sad she was because of that. So Bobby in his effect to make her happy wanted to give her this dog! When I asked where he got it he just kept telling me how much he wanted her to have it so she wouldn't be sad! Only problem was it was someone else's dog....let's just say he borrowed it...lol! I explained how he had to return it but that my mom would be touched that he thought of her! I'm sure the Heavens are a little more interesting and lively since he arrived! KEEP them all going Bobby!!*

“ I have many great memories of my families trips to Iowa to see our Grandparents and the Hurd cousins. I am the oldest of the grandkids and enjoyed playing with all the kids. It seemed very crazy times with so many little ones and so much noise. Merle and Charlotte's house was the meeting place for all of the families, so much laughter, food and good times. Merle, Donny and Raymond have all lost a son. and all of them so young. It breaks my heart to think of another of the youngest grandkids not being with us anymore. My prayers for all of them.
