“ *I was so sad to hear of Bob's passing. He was a customer of mine at the pack and ship store for many years. We would laugh and joke together about him ordering things on television then returning them. He was a very nice man with a kind heart, it was a pleasure helping him with his shipping needs.*

“ We were shocked to hear about Bob. Chuck and Bob just had lunch together last Weds. Bob was always so good about just stopping in and saying "Hey Charlie-lets go for lunch" Those guys had good times together in their younger days and also now. He will be missed with the "Hey There" Sending our Love and Sympathy
