Pete and I shared a birthday and grew up together in Estherville. We were life long friends. Pete was my best man when Lindy & I were married. Jenny was Lindy's maid of honor. I am so glad I went to see Bob at his A frame when I came to Iowa from Michigan where we now live, for my Estherville class reunion. Lindy said Sneaky was one of the most intelligent, kind people she had ever known. We were all bartenders in those days. Sneaky Pete...He was Legend

“ I have many fond memories growing up with Lukie. Pete and Jenny are a huge part of those memories. Always a smile, sometimes a lecture, but always there was laughter in their home. I hope your many cherished memories bring you some peace. His generous heart touched many lives.

“ I remember first meeting this great man many years ago when he was working for Kum n Go in Estherville. I have always enjoyed the many times visiting with him there. Then a few years later I got to work for him at his home a few different times. He was still that same kind man I remembered from the good ol days. He was a very special guy, I'm very sorry for your loss.
