“ Sincere condolences to the Gilbert families. At one point during the two-phased construction of the Dickinson County Courthouse 2004-2006, County Supervisors hired him to oversee construction. He was an honest and conscientious professional.

“ *I want to express my condolences to Roger's immediate family of course , but especially to Fern Carol and Gloria who I knew from the olden days in Richland Twp. Roger was a highly respected builder like his father before him. I remember hearing a comment from some folks who were remodeling the house Floyd built for my grandmother. They couldn't get over the fact that every wall and corner was straight and square. I guess they weren't used to that. I hope I can make it to the service, but can't be sure as I just had knee replacement. Dale Kimball*

“ *Roger was such a super guy. He built our home for us about 45 years ago. He loved our little girls, and bought a hammer for each of them. They enjoyed pounding the sack of nails he gave them into the sub floor, right next to him as he worked. Sending sympathy to his family.* □
