“ *My deepest condolences. Roger and I played together on arguably one of Spirit lake's better baseball teams back in the mid 1960s. Roger also was one of my assistant basketball coaches while I was head boys coach, his knowledge and patience was invaluable for many aspiring young athletes. Roger's work ethic was nonpareil. He will be greatly missed by all.. 🙏🥺*

“ Roger was such a great coach. His attention to detail and thoughtful ways to make us better hitters in softball and work harder on defense on the basketball court. His quite and calm nature that could get fired up and fueled helped many of his athletes reach potential beyond what we expected and knew capable. He set aside so much of his time to make our teams understand what it took to be winners, even when we didn't win. He stuck up for us with fever, even to our parents when they tried to coach from the sidelines. He was principled and poised and will be dearly missed. RIP in Roger, your blue eyes are forever set in my soul with what hard work and commitment to detail means. Thank you Judy, and family for sharing him with us.
