“ Another beloved Boyer is gone but will never be forgotten. Boyers are hard working clan who love to share their love with others family, friends, neighbors and communities. Can't wait to see the mansion they are making for us who are temporarily left behind. Love and prayers to all of the family in the time of loss.

“ I went to nursing school with Rosie. She was always an inspiration to me by going back to school and having a family at home (I was right out of high school and struggled). My condolences to those she left here on earth, may you all find joy in her memory

“ *What I remember most about Rosie was her compassion for people. Her and I went through similar situations in our lives and we knew we could always lean on each other. It's been a long time since we've seen each other. Always was "yeah, we need to get together for coffee" we waited too long. RIP Rosie*

“ *One of my favorite memories is when we used to go to Rosies restaraunt in Harris. She made the best food and always took time to come out to the tables to chat. She was a dedicated grandma that you could always count on seeing at the kids school programs. You will be missed so much Rosie.*
