“ Memories of Sandra Haht at this sad time are of a fun-loving and life-of-the-party classmate. I admired her pursuit of a passion for helping others with her nursing career. Miles and years between us haven't clouded memories of the good times she brought to our Class of '61. It seems like a life taken too soon. Prayers of comfort and strength for her family and friends.

“ I'm sadden to hear the loss of Sandy. The first time I seen Sandy she was coming down the steps of the Old High School in Spirit Lake. She had on this big shirt with all these cans on underneath it! It was as wide as Sandy was tall ! She was my nurse a lot of the times at the medical center. Sandy and I shared a big lost in our families, 46 years ago. Sandy lost her dad, and we lost my big brother Jim. May God be with your family, at this difficult time, my heart goes out to you. Rest in peace Sandy.

“ So sorry to hear of Sandy’s passing. She was one of the first nurses I worked with at Avera Spirit Lake Medical Center and her quick wit and fun spirit made the days easier. She had a drawer full of “readers” so she could match her color of scrubs for the day! I didn’t have nearly enough “Avera retiree” luncheons with her. Rest In Peace Sandy and condolences to the family.
