“ *Porter/Arms family. I am saddened to her of Sharon's passion. We weren't real close in H.S. but got to chat with her a bit at the 50th. Never enough time at the events. I got to sing with her on a mixed quartet and ouctact that what qualified for state. We got Highly Superior Medals in both and her voice carried both groups. She had a great talent and voice. Her mom worked with my dad at the phone company and I enjoyed being a student at the pool and visiting with Peggy at bit at my sister Kathy's reunion. God be with you all JIm Murphy*

“ Sharon was one of my very first childhood friends when we lived next door to each other on Third Street in Missouri Valley in the 50's. I have more memories than I can count and they all make me smile. I pray that she is enjoying a grand reunion with Bonnie and Virgil. She will make a wonderful addition to the Heavenly choir.
