“ Growing up Steve & I were best buds, being so close in age. We did everything together, he taught me "how to" play basketball, touch football, ice hockey, of course fishing. Rode our bikes everywhere. I'll never forget the time we had ridden our bikes out to Stoney Run to fish. He cast & hooked a treble hook through his shorts into his right butt cheek. I couldn't remove it, so he rode home like that!.. Another time I stepped on a rotisserie fork lying in the yard, ran it into my left foot yelling "pull it out" he did. Continued on playing. Mom was 89 years old before, I told her about it. So many childhood memories.

Steve, I'm sorry Andy and I are unable to attend your memorial service because my orthopedist scheduled hip replacement surgery months ago for Valentine's Day. You are always in our thoughts. Love you, Karen and Andy
