“ My sympathy to Steve's family. Though we only saw a few times over the years since we graduated, I always remember Steve and how he tried in vain to teach me about cars. He would explain different models and makes and I never understood any of it. Wish we could have caught up more the times I was back in town. Again, my best wishes to his family and friends.

Sincerest sympathy to Steve's family. May happy memories carry you through the days ahead.

Living down the road from him and his family growing up in recall trying a delicacy of their family... cottage topped with pancake syrup. What a combination.
