“ Dear Ben, I am so very sorry. Your mother was a unique and special woman and one of my very best friends in my life. I've loved her and your dad and you since I first met all of you in 1986 or 1987. Such a deep and personal loss and my heart and my tears go out to you and your own family. I will miss being "Scout" to my "Chief."

I was so glad her obituary mentioned her working family. I can't tell you what a legendary presence she was at The Inn for SO many years. She ran her department with such a competent and loving hand. Every year her staff just adored working for her. She was deeply loved and respected. She was a great leader who cared about people. When you'd visit her office, she was always surrounded by her staff who actually just loved being around her. She made working hard really fun. Not only will she be remembered, but she will be remembered with so much love. She touched the lives of so many people there. What a gift to have known her so well. And my dad loved her very much, too.

Please know how much I love and am thinking of you. My phone number is in her phone now for you.

Susan and I also go way back. We were school friends all through high school. At Arnolds Park Consolidated (home of the Wildcats). We lived, played and had fun together for many many years

“ *Sue and I go back to The Inn at Okoboji. She was a great team mate and a wonderful person. So smart and so funny. We laughed a lot together and spent many hours outside of work together. She will be missed by many and remembered with love and gratitude. Ben, I am so sorry for the loss of both Mom and Dad this year. I can only imagine how tough it has been for you. Bob and I both send you hugs and our wishes for a peaceful journey through this time.*
