“ Thank you for all the wonderful memories growing up. No one on the outside looking in would ever know we weren't your children. You sacrificed a lot of time & money to spoil us. I will forever cherish all of those memories.
You will be missed but never forgotten

“ *My Uncle was a phenomenal roll model growing up. He chaperoned most of my field trips in elementary school. He was always willing to play catch with a football or baseball. He would have my brothers and I workout with him in the garage at our grandparents. When we were done we would load up in his car for a late night ham and egg sandwich at the 7-11. I will always be grateful for all the fantastic lessons and wonderful memories. I know you are at peace watching over all of us with your parents, sister and brother and son. Rest in peace Unc. Love you*
