

## Trina Krzywozycki

August 16, 1946 - November 21, 2025

Trina Kay Krzywozycki ( Brown), born on August 16, 1946, in Fairmont, Minnesota, passed away peacefully on November 21, 2025, in Spirit Lake, Iowa. She was 79 years old.

Trina's life was marked by resilience, warmth, and a deep love for her family and the simple joys of life. Over the past 14 months, she faced a diagnosis of stage 4 intestinal cancer with extraordinary courage. Her strength during this time inspired all who knew her. She will forever be our hero.

She is lovingly remembered by her children: Jeff (Samaria) Jill (Brent), Joelle (Phil), and Jarrod (Keisha); her baby sister Carrie (Tony); 6-other siblings; numerous grandchildren and great-grandchildren; and her devoted partner Mick Buckley.

Trina was preceded in death by her father Ethan Brown and mother Darlene Milbrandt(Isenberg).

She loved taking drives around the lake, Walking and dancing to her favorite band, Lake Patrol. Momma, we love you to the lighthouse and back.

The family will have a private gathering to celebrate her incredible life, TBD. Arrangements are under the direction of the Robinson Funeral Home in Spirit

Lake, IA. Online condolences may be left at [www.spiritlakefuneralhome.com](http://www.spiritlakefuneralhome.com)

“ Trina was always so kind to me and never failed to recognize me. My dad still tells a great story about lending her his convertible back when they were in their twenties. I always enjoyed running into her —whether in the community or at Hy-Vee—and she was such a wonderful mother to my cousins. She will be deeply missed by so many.

“ *Im so sorry to hear of Trina’s illness and death. She was one of my classmates at FHS ‘64, and we renewed our friendship when she moved back to Fairmont. She was such a warm, caring, “real” lady who succeeded in the important things in life. She will be remembered by many.*
