“ Celebrating a long and fruitful life! Our condolences, Bruce, Pat and family....lots of happy memories of your Mom, Bruce! She was always so friendly and smiling. I think the first memory I have of her was at the Legion Hall for a dance when you came in fifth grade. I remember your family enjoyed bowling and I can even remember being in the store a time or two. Memories are very comforting as we recover from loss. Thinking of you all, Nancy and Bob Cozine
