“ I can remember all the times Virginia and Mom sat at the kitchen table drinking coffee and laughing until they were both crying! All the kids were sent outside so "they could talk about us." Many, many happy times.

“ I have not seen Virginia in a long time, but think of her often. I remember all the fun we had running around on our little shopping trips. Her wonderful green Ford. I always got a kick out of her wearing her socks wrong side out, cause the seams hurt her toes. She was a wonderful and funny person.
