“ Susan, Our love and sympathy at the loss of your Mom. I remember her as we grew up helping with 4H. Alan remembers her as he used to be her mailman. She was a very special person. Even though she's gone she will continue to live in your heart. Hugs and prayers for you and your family at this very sad time.

I SAID A PRAYER

I said a prayer for you today, although you didn't hear.

I asked God to help you with your grief and to lessen your fear.

May each day your grief become more bearable, and give you more peace of mind.

You have lost a very special person who was to everyone so kind.

“ Susan
So sorry to hear about your Mom's passing. I have very many fond memories of our time working together at our family store. I hadn't seen her for a few years but the last time I saw her we shared some of those memories and had a good laugh. She was a special lady.
