“ I’m sorry for your loss, I became close to Griz while he worked for Nolin Milling he was one welding area I would stop by because he was the type of person you could speak your heart to and not expect to be judged, after losing my grandfather he became my wife and I work grandpa. Dearly missed by the Tomason family. 🐻

Dear Family of David,
The happiest memories of my nephew-in-law, would be of the meaningful last two times that we were in touch ~ after MANY years with no opportunities to come together, the first was a surprise bump-into-each-other at an Easter service at HOPE EVANGELICAL CHURCH in Storm Lake - where when Anita's cousin, Pastor James, asked his congregation to get up and move around to greet one another, and I (as a visitor from Atlantic), upon making my way to the back of the church, found the two of them there where we had all gathered to worship our Lord Jesus. And what a thrilling surprise that was ❤️ 🙏
The last time then, that we shared, was a phone call in which David was telling me of Anita not being expected to live. The wonder of that conversation was that he assured me that she would be glad to hear I was sending my deepest love and blessings - which he cheerfully assured me she would reciprocate. David put my heart and soul at ease that day ~ which I will treasure until we are all once again surprised to be finding ourselves meeting in FOREVER ~ again to be worshipping our Lord Jesus ❤️
Blessings and sympathy to Laura and the boys ~ who will remain, along with Jesus, the loves of their lives. 💕💕

“ Dave and Anita were by far the best neighbors I could’ve asked for. It was a shock to hear about Dave’s passing over the weekend! My sympathies to your family - Matt Starkson
